

Mary Tanner:

Flash Animator

Phone: (416) 809-1137
Email: Cartoonmary@gmail.com

Work Experience

Summer-Fall 2008, 2009, 2011 Canada's Wonderland Maple, Ontario

Caricaturist - Kamans Art Shop

- To date, I have drawn over 2000 caricatures. This has led to a considerable increase in both my line quality, and my confidence of line
- I am responsible for interacting with customers, which has made me capable of taking criticism well.

February 2011-March 2011 MusIQ Kids Toronto, Ontario

Flash Animator/Designer - Smarterkids Training Software

- Created, modified, and animated backgrounds, props, UI elements and characters in flash for an educational children's game.
- Responsible for budgeting own time, and doing things in an efficient manner.
- Matched design styles of previous artists.

September 2010 – December 2010 9Story Animation Toronto, Ontario

Flash Animator - Pound Puppies

- Animated characters in flash for the TV show "Pound Puppies".
- Filled a weekly quota, managing several stages of revisions at once.
- Set up scenes according to storyboard, matched cuts from other animators.

March 2010 – June 2010 MusIQ Kids Toronto, Ontario

Flash Animator/Designer - Smarterkids Training Software

- Created, modified, and animated backgrounds, props, and characters in flash for an educational children's game.
- Responsible for working with programmers to create graphics needed for game elements and some graphical bugfixes.

September 2009- Present Various Clients Toronto, Ontario

Freelance Artist

- Various small advertisements, graphics, and concept works made for several businesses and organizations
- Worked on other personal projects, including a short film with other animators

Summer 2007 Super Popular Studios Peterborough, Ontario

Animator - Internship

- Worked with a team of animators on the production “Peterborough Time”
- Animated scenes in flash, made some flash models, lip synched characters to sound track in flash, matched cuts to other scenes, made and broke walk cycles.

Programs

- Flash - Animation, basic actionscript, creating graphics.
- Photoshop - Drawing, photo manipulation, compositing.
- Premiere / After Effects – Video compositing.

Education

2006-2009 Seneca College of Applied Arts and Technology Toronto, Ontario

Animation

- Learned many animation techniques.
- Learned how to use Maya, Flash, and Toonboom for animating.
- Learned many Photoshop painting techniques.
- Plenty of traditional drawing experience, specifically life drawing and traditional animation.

2005-2006 Seneca College of Applied Arts and Technology Toronto, Ontario

Art Fundamentals

- Explored a variety of techniques and styles of commercial art.

Interests

Webcomics, cooking, music, animation, comedy, minecraft.
